

Other Great Think Mobile Products

Cap Plans Think Mobile also offers \$36 Cap Plans utilising either the Vodafone 3G Swift Network or the Telstra GSM Classic Network. A great range of handsets is also available on short contract terms or BYO handset and stay as long as you want.

Think \$36 Cap Swift offers \$200 of included national and international calls and text and 200MB of included data for just \$36 per month. This plan is ideal for customers who are looking for a package including a generous data allowance to stay in touch in more ways.

Think \$36 Cap Classic offers \$200 of included national and international calls and text for just \$36 per month. This plan is ideal for regional customers who require better coverage in more places.

Mobile Broadband For only \$12 per month you get 1GB of Mobile Broadband on the Vodafone 3G Network. 2GB and 3GB plans also available. \$0 upfront USB modems are also available on a short contract or you can BYO modem and stay as long as you want.

For more information on any of these products, please visit www.thinkmobile.com.au or call 1300 2 84465 to speak with one of our friendly Australian Customer Care Representatives.

Terms & Conditions

* Coverage limitations may apply. Flagfall applies. All calls are charged in 1 minute increments unless otherwise stated. All prices are quoted including GST. Actual charges may vary on your statement as charges are rounded to the nearest cent before GST is included. All prices are subject to change. No minimum term unless otherwise indicated. Minimum cost is \$12 per month. Think Mobile may apply call barring where fraudulent use is suspected or for credit control purposes. [1] Go to www.thinkmobile.com.au/plans/12internationalcalls/ for a full list of international destinations charged at this rate. [2] The account control limit is per service. For example, if you select Think Control \$30 and have two services, the account control limit will be \$60. A notification message (SMS) will be sent as you approach that control limit. You will still receive an itemised bill from Think Mobile once a month which enables you to keep track of your calls and any payments made during the month. You can make payments at anytime to reduce your account balance if you feel you may exceed your control limit. The account balance is the sum of all invoiced charges that you have already received in a bill and which are still to be paid, and all un-invoiced charges that have been incurred but for which you have not yet received a bill. [3] If you have two Think Mobile services on your account your bill will be paid using your nominated credit card when your account balance exceeds \$200. You will still receive an itemised bill from Think Mobile once a month which enables you to keep track of your calls and any payments made during that month. [4] Think Unlimited is available to credit approved customers only. [5] Think Classic is on Telstra GSM network. Data capability is limited to GPRS (general packet radio service). Billing increment is per 10kB. Coverage limitations may apply. Think Swift is on Vodafone 3G network. Data capability is supported at speeds up to HSDPA (high speed downlink packet access) where available. [6] Additional data charges may apply. [7] \$18 of included value excludes data services. Data Services are included within the 120MB monthly included allowance (up to \$66 value). Data in excess of the included data is charged at 55cents per MB, billed in 10KB increments. [8] 3G Capable handset required.

Simply better!

Think Simple \$12 Plans

At Think Mobile our goal is simply better value for our customers.

Our Simple \$12 plans give you a low rate of 24c per minute* for national calls to any network at anytime and 12c per text worldwide. You can also call up to 12 popular international destinations¹ at this same low rate.

Need a Handset?

Think Simple \$12 plans have the option of SIM only or an included handset at no extra cost, available over a 6, 12 or 24 month contract term. For handset options visit www.thinkmobile.com.au

Control Your Costs

Control your mobile spend. Choose Think Control and nominate a \$30, \$50 or \$100 usage limit to your account². You'll be notified by SMS when you approach your limit². Alternatively, you can choose Think Auto-Pay³ for automatic payments to be deducted from your nominated bank account once you exceed \$100. You can also choose the Think Unlimited⁴ option to maximise your usage without restrictions.

Choice of Networks

Think Swift⁵ gives you access to all the latest network features including 3G Data and video calling on the Vodafone 3G Network⁸. It's the internet in the palm of your hand.

Think Classic⁵ gives you coverage in more places with the Telstra GSM Network. Think Classic is ideal for regional users or for those who prefer the security of a larger network with national coverage of 97% of the Australian population.

Think Simple \$12 Swift

Think Simple \$12 Swift gets you \$84 of total value, that is: \$18 voice and text + 120MB included data (\$66 value) on the Vodafone 3G Network.

The Think Simple \$12 Swift plan offers great value 3G services⁸ to everyone, all of the time. Keep your bills manageable with our Think Control billing options and save with our really low call and text rates.
